# GALAXY GROUP OF COMPANY MESSAGE

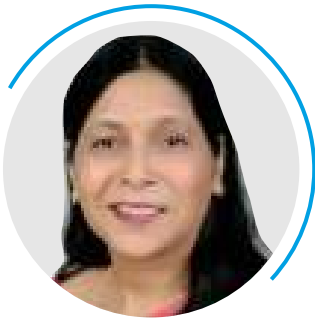

**SANJAY GOEL**  
Chairman

## Message from CHAIRMAN CEO

Galaxy Infosystems Pvt. Ltd. has continuously strived to maintain high quality & high ethical standards in it's products, solutions & organizational culture. I firmly believe that technology is the way forward & a technology driven ecosystem of opportunity, growth & trust can be the prime drivers towards the holistic growth of our nation. We develop a strong connect with students, teachers, acamedicians or facilitators by understanding their needs and offering them a solution which helps to change the perspective of learning and teaching through technology & make a difference in the delivery of knowledge. Being in the industry for more than two decades, we have evolved as an established Make In India brand which has impressively executed prime projects in all parts of the country in well defined timelines. Our nationwide prompt services and professional team has been a major source of strength and would be for many more years to come.

We look forward towards the trust, continued support & patronage with our employees, channel partners & customers in the coming years.

**SONALI GOEL**  
Managing Director

## Message from MANAGING DIRECTOR

In this era of dynamic opportunities where India is emerging as one of the leading global technology solution providers, we, as a strong Make in India brand, are focussed and determined to offer innovative world class education technology solutions in the technological space. Our strong Research & Development team puts continuous effort to bring in evolutionary practices & technologies into our products & solutions which are made in India, for Indians, across different business sectors. Primarily a channel driven organization, we aim to create holistic growth opportunities for the channel partners associated with us and work with utmost transparency and trust as we sincerely feel transparency leads to success. Continuing with our bequest of technological innovations, we are confident to take this ahead to provide education technology solutions which are fuelled by innovative global technologies.

I therefore, seek continued patronage of our valued customers & channel partners & thank everyone who have helped us in maximizing the reach of our technological innovations to the masses.

**KRISH GOEL**  
Director

## Message from DIRECTOR

Our prime motto is 100% customer satisfaction. We are committed to total customer satisfaction by identifying their specific needs and giving them their version.
